COMPANY Crider Telephone Specialties

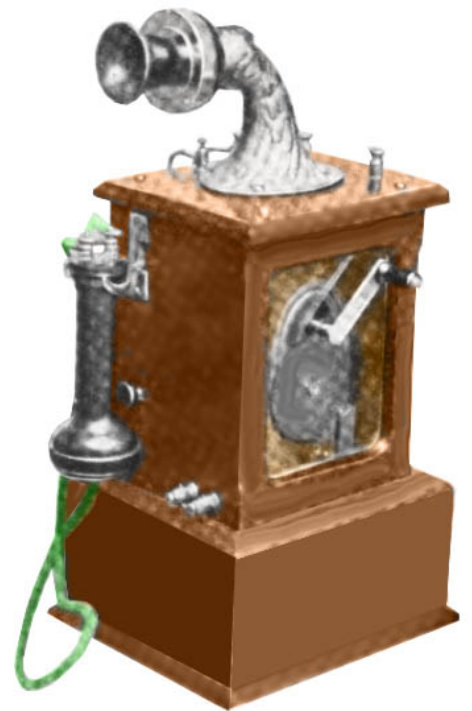

DATE ORGANIZED C 1898

WHERE ORGANIZED Sterling, IL

FOUNDER(S) S.S. Crider

NATURE OF BUSINESS Manufacturer?

Subsequent names or significant changes resulting from acquisitions, consolidation, sales or bankruptcies:

DATE

REMARKS Only one piece of literature mentioned this company and nothing else is known. The example shown is a combination counter and desk telephone with no wall parts other than the connection to the telephone line. The claim was it would work over the same lines and distance as Bell instruments and just as well.
