

HISTORICAL FACT SHEET Telephone Industry Related Companies

COMPANY Frontier Telephone Company

DATE ORGANIZED 1901

WHERE ORGANIZED Buffalo, NY

FOUNDER(S) Investor Group. B.G. Hubbell, Pres

NATURE OF BUSINESS Manufacturer, Service Provider

Subsequent names or significant changes resulting from acquisitions, consolidation, sales or bankruptcies:

Name changed to Frontier Telephone & Telegraph Co.

DATE
1908

Sold to Federal Telephone & Telegraph Company

1908

Federal defaulted on loans then sold and merged into AT&T

1919

REMARKS Frontier primarily used Kellogg equipment and parts early on. There have

also been found Frontier embossed "Century Telephones" as they were made in the

Federal factory. They were more of a telephone service provider until they were

acquired by Federal who did have a manufacturing plant in Buffalo.
