

HISTORICAL FACT SHEET Telephone Industry Related Companies

COMPANY Rohn & Meyer

DATE ORGANIZED Circa 1896

WHERE ORGANIZED Milwaukee, WI

FOUNDER(S) George F. Rohn, Leonard A. Meyer

NATURE OF BUSINESS General Electrical Contractors; distributor

Subsequent names or significant changes resulting from acquisitions, consolidation, sales or bankruptcies:

Company dissolved

DATE

1900

REMARKS Telephone related equipment, such as the test set pictured, has been found with the Rohn & Meyer name tag. It is doubtful that the company manufactured any equipment. The example above appears to be a test set made by Manhattan.

Western Electrician, 1900
